RE: Scholarship Opportunity for 2012 High School Graduates

The Sacramento Tall Club (STC) and Tall Clubs International (TCI) are happy to offer scholarship opportunities to eligible high school students. These opportunities are open to all high school seniors in Sacramento and the surrounding areas planning to attend a two or four year institute of higher learning and who meet the minimum TCI height requirements (5'10" for women, 6'2" for men). The amount of this year's STC scholarship will be based on the club's fundraising efforts. The winner of this award will also be entered for consideration by TCI for an additional scholarship award.

Applicants must send the completed application packet by **March 1, 2012** to the email address shown below. The STC scholarship committee will assess the applications based on several criteria, including:

- Academic record and achievements (include copy of school transcript)
- Involvement in clubs and activities in the school community
- Involvement in clubs and activities outside the school community
- Personal achievements
- Insight and content of essay – "What Being Tall Means to Me" (*one page typed using 12 point New Times Roman font*)
- Recommendation letters (letters to colleges are acceptable)
- Recent photograph of applicant
- Release form to publish the essay and/or photo (optional)

Finalists may be invited to participate in a panel interview with the STC scholarship committee. At that time candidates will be measured to confirm that they meet the height requirements. If you should have any questions about this scholarship opportunity, please leave a message at the email below.

Scan all items and send completed applications (incomplete applications will not be considered) via email attachment to:
