From the Editor

Hello Talls!

Happy new year everyone! I hope this finds you all well and enjoying the new year, and not already breaking those resolutions!

I am STILL seeking a successor to this office. The editor develops and formats newsletter content; creates the layout; and interacts with members and the board on a monthly basis. Must be able to write clearly and in complete and logical sentences. Must be able to use Word (at a minimum) and have access to a computer and e-mail. Ability to manipulate photos and other images a plus. Send letter / email of interest to Bob H., president@sacramentotallclub.org

Nothing else to report on my part, so here's the standard announcement: I need articles. If you attend an event, are hosting an event, or just heard about something that might be of interest to our club, let me know. You can send me an e-mail via editor@sacramentotallclub.org, or via US post at Sacramento Tall Club, P.O. Box 515, Rancho Cordova, CA 95741.

Alice Q.

From the President

As we wind down 2016 and storm into 2017, I am encouraged looking forward to the New Year.

Some general New Year's resolutions to consider:

- Stop and smell the flowers. Let's not limit this to roses.
- Take time for yourself.
- Exercise – the best one is the one you will do.
- Star gaze once in a while.
- Wish upon a shooting star.
- Say "Thank You" and please more.

As your Sacramento Tall Club President, I see things coming our way that will strengthen our club.

- We will revive the Anniversary Dinner Dance this spring.
- I want to see our membership grow with new members.
- I would like to get going and revive our Ruckus Weekends.

STC resolutions:

- Attend at least one event every month
- Host at least one event a year.
- Invite a tall friend, or if you don't have a tall friend – find one to invite.
- Inform the Social Chair of something you would like to do in 2017 as a club.
Social@SacramentoTallClub.org.
- Consider a STC board position in 2017.
- Come to a STC business meeting or two in 2017.
- Contribute an item or story to the editor@SacramentoTallClub.org that she can publish in the newsletter.
We have such good newsletters – don't we?

So I want to wish you a Merry Christmas-Hanukkah-St. Steven's Day-Boxing Day-Festivus-New Year's Day-Make up your mind Day.

Please let me know how we can make the club work better for you.

Please attend events. We love to see your face.

Stand Tall

Bob Huggett
President, Sacramento Tall Club

Marketing: MeetUp, Facebook, and Yahoo are the ways to suggest events and see what is already on the calendar. The MeetUp calendar is also duplicated on our Web Page at WWW.SacramentoTallClub.org. Check these web locations for activities. Do feel free to suggest to people of height you meet on the street or in the store to visit our sites and see what we are doing.

Membership: We currently have 70 members with 15 prospects: keep handing out business cards and encouraging people to join us! TCI Membership cards will be distributed after January 1, 2017. STC membership fees are due March 31st: please submit them as soon as possible to: Sacramento Tall Club, P.O. Box 515, Rancho Cordova, CA 95741

(Editor's note: feel free also to share this newsletter to promote the club. It's been designed with that use in mind.)

Publicity: We're always looking for ways to get the word out about the club. Remember to keep a couple of business cards with you and handy to hand out at a moment's notice.

If you have any ideas for any new publicity events or activities, please contact me or "suggest" an event on MeetUp. The web activity is the window for the world to see what we are doing.

A Plea from Your Social Chair

Patty is always interested in what events the membership would like to see scheduled. We need suggestions for TGIF's, Mid-Month Dine Outs, Dinner & Movie locations, Business Meeting locations, etc. We need hosts for some of our annual events.

Please consider hosting events outside of your home. If there is something you are going to do that you think other people would be interested in, suggest it on MeetUp and we will put it out to the membership to respond. If you have any questions, or need help with MeetUp, please let your social chair know. She can be contacted at home on 916-896-1133, cell 916-753-5424 or e-mail at social@sacramentotallclub.org.

What's Happening, STC?

Giraffe News

"Our" giraffes at the Sacramento Zoo

The Sacramento Zoo welcomed a new arrival in 2016. Rocket, a male Masai Giraffe calf, was born on Sunday, April 10. Shani, the zoo's six-year-old female, gave birth to the 163-pound Rocket at 8:40 a.m. Rocket made his first public appearance on May 18, but public access to the giraffe exhibit was limited during Rocket's first few weeks in order to create a quiet atmosphere while he and mom acclimated. With the addition of Rocket, the Sacramento Zoo is now home to six giraffes: Rocket; his parents; and three female Reticulated Giraffes.

Meanwhile, Goody, an 18-year-old Reticulated Giraffe, has been getting medical help with the assistance of modern technology. Goody, who was chosen this year as the Arthritis Foundation's 2016 Jingle Bell Run Celebrity Honoree, "has been wearing a specialized boot with a metal shoe support inside and a fetlock brace to help support her joints and the rotation of her foot caused by arthritis. In addition, she can now be seen intermittently sporting a custom anklet. This anklet, made by one of the zoo's horticulturists who has a knack for sewing, includes a HOBO data logger, similar to an activity tracker people wear.

(Photo credit: SacramentoPress.com)

The Sacramento Zoo is employing science to better care for Goody and the other giraffes based information provided by the ankle monitors. The HOBO is a data logger with a three-axis accelerometer.

Along with helping Sacramento Zoo staff with Goody, the data collected from her and Skye will be added to other data logs. The Brookfield Zoo is already collecting information, using the same methods, to better understand the activity of their giraffes. All of that data in turn will be shared with other zoos to aide overall giraffe caregiving."

Giraffes Facing "Silent Extinction"

In sadder news, Alan L. notes: "Our mascot the giraffe, is facing "silent extinction". Their population has declined 40% over the last 30 years. Poachers and other animals are two reasons for this. We're just becoming aware of this problem." Alan is correct. According to the International Union for the Conservation of Nature (IUCN), giraffe populations have decreased from around 155,000 in 1985 to 97,000 in 2015. Although

some populations are growing, mainly in southern parts of the continent, the iconic animal has declined because of habitat loss, poaching and civil unrest in many parts of Africa. The IUCN has placed giraffes on their "Red List", which lists species that are endangered or threatened with extinction.

But there is some good news. While researchers believe that some local populations may not survive, there is optimism that the long-term future of these tall creatures can be secured.

Experts believe that the success in keeping giraffe numbers high in Southern Africa has much to do with the management of game parks for tourists. These experts also believe that the extra attention that the IUCN listing will now attract will benefit the species.

Elsewhere, other efforts are ongoing, such as tracking giraffes to determine where and how far they roam. Such efforts have helped increase populations of the West African giraffe (*G.c. peralta*) back from a dangerous low of 50 animals in the mid-1990s to around 200 today.

- 😊 **Pre-Pre-Con Road Trip!** Patty H. is looking for a show of interest for those that are traveling to Pre-Con 2017 that may want to extend their stay on the west coast by 5 days, and participate in a Pre, Pre-Con Road Trip. We will start our journey in Santa Rosa on Monday, June 24, 2017. Tuesday, we would then travel up the Northern California's and Southern Oregon's coastline, arriving in Lincoln City on the 29th.

This will all be loosely planned and nothing will be mandatory. There are plenty of hotels and campgrounds along the way, so which ever lodging you prefer, it will be up to you.

You will need to plan and reserve all your own bookings. There is no planned transportation, so you will need your own car, get a rental car, or bum a ride. We will work to coordinate and provide information as to who is going and if they can accommodate additional passengers.

Drive time will be no more than 3 hours each day allowing for lots of time to site see and explore. We will investigate and make hotel suggestions (Best Western hotel chain) For those that want to camp or RV it, we will have suggestions as to where to stay. If you have any suggestions, please let us know.

As a group, we can decide places, dinner restaurants, etc. to meet up at, and share our adventures. If you are not able to make it the full 5 days, you are absolutely welcomed to meet up with us at any point on the route.

The schedule so far looks like this:

- 6/24 – Santa Rosa, CA. (wine country)
- 6/25 – Ft. Bragg, CA. (Mendocino, Botanical Gardens, Glass Beach)
- 6/26 – Garberville, CA. (Avenue of the Giants, Historical Benbow Inn)
- 6/27 – Crescent City, CA / Brookings OR. (Ferndale, Eureka, Arcata, longest travel day)
- 6/28 – Coos Bay, OR (Cape Arago Lighthouse, Coos Bay Boardwalk, Coos Art Museum)
- 6/29 – Travel to Pre-Con hotel (location TBD)

If you are interested in learning more, please e-mail Patty H. with your contact information. (Name, Address, Cell Phone #, and best e-mail address)

The Portland Skyliners Tall Club presents

TCI Convention 2017

...in beautiful Portland, Oregon—the City of Roses!

The week in Portland will feature all the usual TCI Convention business and events—from the Annual Delegates' Meeting to Miss Tall International® Pageant, Sports Day, and the TCI Workshop—plus, of course— themed After-Hours Parties every night! On Independence Day, attendees will be treated to heaping doses of Lewis and Clark's Oregon experience with a day trip up the Columbia River Gorge, followed by an evening of pure Americana music with *Larry Wilder and the Stumptown Band*. Later, we'll view 4th of July fireworks from the deck of the hotel. On Thursday we'll head west to the Pacific Ocean and take our time visiting a few of the northern beaches on the Oregon Coast. (Pre-Con-vention will be farther south, so those attending both events will get to see different parts of our scenic coastline.) After a day of riding in motor coaches, it will be especially nice to have *Tony Starlight* bring his fabulous nightclub show to us at the Red Lion. Those who want a more "Portlandia" experience will appreciate a local night-on-the-town on Friday.
