## From the Editor

Happy Spring, Talls!

The year is looking up. STC has had several meetups and a few of parties, and they've been well received. Look for more events in the upcoming months. And if you have suggestions for events, please send them to your Social Chairperson, or suggest them on Meetup.

Remember to share your Tall pride. Wear your shirts! Hand out club business cards! Tell people about our scholarships, our sponsoring of the giraffes at the Sacramento Zoo and the Fair Oaks Concerts in the Park, and of our work to benefit the Marfan Foundation. If you need business cards, contact Harry L.

Did you know you can contribute to the TCI Scholarship Foundation funds just by surfing the web? Here's how:

1. Register at [www.goodsearch.com](http://www.goodsearch.com)
2. Choose Tall Clubs International Foundation as your cause.
3. Bookmark the link OR set GoodSearch as your homepage so that every time you search the web, a donation is made to TCI Foundation.

It does add up and costs you nothing. Thank you from the TCIF Board and future scholarship winners.

STC is looking for a delegate to attend the delegates meeting at Convention. Contact Harry L. if you wish to volunteer.

And standard announcement: I am always looking for contributing writers. If you attend or are planning a TCI or STC Event and want to let others know how great it was/will be, send me a short narrative and I'll add it to the next newsletter.

Cheers!

*Alice Q.*

## From the President

Spring is now here and many more events, for the club, are on the horizon. Naturally, there is Pre-convention here in Rancho Cordova and then the national convention in Sparks.

I just can't help think this is going to be such a great time and the experiences of the location, trips, events and memories will be with you for a lifetime. This is not a convention to miss!

In April we will have our anniversary gathering at the Holiday Inn in Rancho Cordova and it should be a great time. Naturally we will have dinner and music.

The twist is that I will be doing my debut of Karaoke. I started saying that there would be Karaoke if we could not find a low cost DJ or entertainment and then people started talking it up and requesting songs.

What was I to do? My bluff was called! So, I have been learning about Karaoke and even practicing a little. I don't want to get too good and set the bar too high! Let's just have a fun time.

Since Sacramento Tall Club is such a special club, we are doing something that has not been done ever in the Tall Club community. We have expanded our scholarship program to include a continuing education scholarship for TCI qualified applicants. Why only work with high school students, when we could actually help students that are qualified to be members of our club and add to the TCI family? Join us for some fundraising activities for the new expanded scholarship program.

Just a reminder, renew your dues if you have not. Reserve your rooms for pre-convention and convention.

If there is an event you want to see on the calendar, suggest the event on Meetup or contact Carla M. We can make it happen!

If you need a flyer with information for events, contact Tonna B. via email.

There is a vacancy on the board, Bob H. had to step down as a club officer because of a conflict with his TCI officer duties. The office of Publicity Chair is available if you feel you have some ideas as to how to spread the word about our great organization. Let me know if you are interested in being our Publicity chair.

Harry L., President  
Sacramento Tall Club

## What's Happening, STC?

### Sacramento State vs Portland Stage basketball game

February 7, 2015

The Sacramento Tall Club attended the Sacramento State vs Portland Stage basketball game on Saturday. STC is always looking for new and interesting events in the community to support. One of our members has a vested interest in the team... guess who... We were there to support our college team and just have fun...

### Phoenix Phebruary Phiesta Weekend

2/13/15-2/16/15

Submitted by Patty H.

Bob and I flew in to Phoenix on Friday Feb. 13th and were greeted by all our tall club friends who were congregating at the Four Points by Sheraton Hotel, looking forward to yet again a fun filled fabulous weekend hosted by the Central Arizona Tall Society (CATS).

Friday night started off with a cocktail hour in the hospitality suite, where we made new friends, and renewed friendships with many others we hadn't seen in a while. Then it was off to the Walleye Fish Fry (the fish being imported from Minnesota) at a local sports bar within walking distance to the hotel. Then back to the hotel to a "Kick Up Your Heels" dance party and karaoke night. Yes, yours truly got up with my sister and sang a few tunes. A little liquid courage was involved. The hilarity continued on to the after-hours party, where once again the famous Phoenix ShotSki made an appearance.

Saturday morning, we arose in time for breakfast before we journeyed out with 15-20 of our Tall Club friends to take a hike through some of the most beautiful desert landscape. With the recent rains, the desert trail was alive with a little greenery & spring wildflowers. Back to the hotel for time spent laying by the pool and soaking up some sun.

Saturday night was the Sweethearts Dance where a live band performed many rock and country classics. This is the 7th year this group has performed at the CATS weekend, and you can see why they are always welcomed back. After-hours consisted of more food and drink, with Sharon E. creating some very flavorful libations. Conversations were lively and laughter was heard down the halls. Then it was off to a peaceful night's sleep.

Sunday, after breakfast, we headed up to a local park for a little volleyball, and a luncheon BBQ and impromptu birthday party for Tim M. It was a great day ending with lots of goodbyes as people left for the airport to catch flights for their return trips home.

Once again a very successful and fabulous weekend hosted by our friends in Phoenix. This weekend is one that everyone should definitely try to make!

### Texas Hold'em Poker fundraiser and Flannel Finery/Stone Soup house party

### Corned Beef and Cabbage Dinner and Fundraiser.

March 14, 2015

A larger-than-usual group of green-wearing folks gathered at Bob and Patty H.'s to dine on corned beef, cabbage, and other dishes, and raise money for the Scholarship fund. 30 people partied and \$385 was raised on this unusually temperate evening.

## **Details on the 2015 TCI Convention After-Hours Themes:**

### **Monday: Wild Wild West**

Let's start the week off with a big "Yee Haw!" Dress in your best Western gear for a wild evening that starts with a Western buffet followed by boot scootin' on the dance floor. Then, at 11:00 PM, belly up to the bar at the Blazing Saddles Saloon for After Hours. And, then enjoy one of the many activities we will have available: swimming, games, dancing or just a quiet chat with a tall friend.

### **Tuesday: Toga Toga Toga**

Let's be party animals! Get out those sheets and be prepared to have some fun! It will make you want to SHOUT! And, of course, join us at the Delta (Tau Chi) Saloon for libations. "Grab a brew. Don't cost nothin'!" And remember, no fizzies in the pool or food fights allowed!

### **Wednesday: Comstock Lode – Silver and Gold**

This is your chance to sparkle and glitter like the silver and gold found by miners in Nevada in 1859. You'll find a bonanza of fun activities to keep you busy. And, there will be a wealth of drinks (both alcoholic and non-alcoholic) throughout the night at the Silver Queen Saloon.

### **Thursday: It all began with a "K"ae**

Let's honor Kae Sumner Einfeldt, the founder and inspiration of Tall Clubs International, by wearing or becoming something that starts with a "K". Kelp, Kardasian, Klingon, Kangaroo, Kitten, Kleenex... keep the ideas flowing! And, the drinks will be flowing all Knight at Miss Kae's Saloon!

### **Friday: ABC – Anything But Clothes**

Anything goes... but clothes! Please do wear something, but it just can't be any clothing! So, put on your thinking cap, get some duct tape, trash bags, shower curtains, cereal boxes, etc. and get creative! Be sure to visit the Red Dog Saloon for liquid refreshments.

### **Saturday: Con Zombies**

After a week of too much eating, too much drinking, too much dancing and too little sleep, don't you kind of feel like the Walking Dead? So, put on your PJs or comfy clothes (don't worry if they are ripped and blood splattered) and stumble on over for one last night of fun with your tall friends. Don't forget to grab a drink at the Bucket of Blood Saloon!
