Dear Tonna,

Thank you for the \$280.00 donation on behalf of the Sacramento Tall Club to care for Goody the giraffe (received 7/31/2018). To date, the Sacramento Tall Club has helped raise \$2,419.09 in cash and in-kind contributions for Goody's care.

The Sacramento Zoo is home to nearly 500 individual animals representing 125 different species. From the tiniest poison dart frog to the 1,200-pound giraffe, every animal at the zoo receives the very best care every single day, and it would not be possible without your support!

New species such as the rhinoceros iguana and a hawk-headed parrot have made their exhibit debuts recently, and exciting changes are continuing daily. Thank you for your gift which made these changes possible!

Keep an eye out in the next year for the expansion of the African lion exhibit, a new classroom for educational programming, and two brand-new species to Sacramento: meerkats and okapi! All these amazing improvements would not be possible without your support – thank you!

This letter serves as receipt of your contribution to the nonprofit 501(c)(3) Sacramento Zoological Society and confirms that no goods or services were received in exchange.
